NEW EFFORTS AT WORK AND IN
THE COMMUNITY

This topic has been on labor's agenda for the last four decades, but is more urgent than ever. We will cover Walmart warehouse campaigns, the recent strikes by federal contractors' employees and other organized but not unionized workers and what we - and the employers - have learned from these events. Our speakers will include Jenn Jannon, Working America Mobilization Director and Margot Nikitas, Associate General Counsel for the United Electrical, Radio and Machine Workers of America [UE] in Pittsburgh.
