

Here is the fold-it-yourself version of our Know Your Rights labor pamphlet. Here are the instructions for making a booklet out of it:

1. Print out all four sheets.
2. Copy the first two pages as a double-sided document, as is (do NOT turn the second page up-side down)
3. Do the same for the third and fourth pages.
4. Take the two sheets, with the cover page ("You Have The Right To Be Heard") and back page "Speak Your Mind. Don't Back Down") facing you, and fold them in the middle from side to side so that the cover page and back page are still facing you.
5. Fold it again so that the cover page is facing you.
6. Use a pair of scissors to cut the top of each page and there is your pamphlet.
